

THE ULTIMATE
SURFACE EXPERIENCE

**AFFIDAVIT CONFIRMING BEYNON SPORTS
SURFACES, INC. MANUFACTURERS ITS
POLYURETHANE MATERIALS**

This attests that Beynon Sports Surfaces, Inc. produces all its polyurethane products for use in athletic surfacing in its manufacturing facility in Hunt Valley, Maryland. The Beynon manufacturing facility is certified to ISO 9001:2015 and 14001:2015 standards, indicating we have a Quality Management System (QMS) and Environmental Management System (EMS) that a recognized certification body has verified. The Beynon manufacturing facility has been manufacturing polyurethanes used specifically for athletic surfaces since 2002.
