

## COMPANY FACTS: RUNNING TRACKS, ATHLETIC SURFACES, & COURTS

### OUR MISSION STATEMENT

We create shareholder value through the formulation, production, distribution, and installation of environmentally friendly polyurethane athletic surfaces and acrylic courts designed for speed, resiliency, and daily use in high school, municipal and collegiate facilities throughout North America.

#### CULTURE OF BEYNON SPORTS

While our Mission Statement represents what we do, our Core Values describe the way that we do it. Whether we're in the factory, out in the field, or working in the office, we're all one team working toward the same goals.

- **Customer Commitment:** We do what we promised to do, period.
- **Financial Strength:** We keep an ever-vigilant focus on cost control and the maintenance of operations margins while avoiding unquantifiable risk.
- **Operational Excellence:** From estimating to contract management to production and installation, we hold ourselves to the highest possible standards.
- **Employee Commitment:** We diligently execute each of our duties thoroughly and conscientiously, and in turn, the company provides fair compensation, benefits, and opportunities for growth.
